Thank you for choosing Dystopian State taproom for your celebration!

Our tap room maximum capacity is 200 people (sitting 80). This includes round tables (6-9 seats), smaller square tables (4 seats), bar tables (4 seats), communal table (10 seats) the bar (20 seats) and two couch sets. See Appendix A for the taproom layout.

The tap room features views of the Tacoma Port and the Commencement Bay. Most furniture is upcycled, hand made by the owners and purchased from local households. There are many board games and corn hole which you are welcome to use. We do not have a kitchen.

### **Beer:**

All beer is made in house with natural ingredients and no artificial flavors. Guest cider is offered as a gluten free option but is not guaranteed. There is no wine or hard liquor. Non-alcoholic beverages also available for purchasing. If running one tab, drinks are sold at happy hour pricing (\$1 off each drink) during the time of the event. Gratuity is much appreciated.

### **Food and Drinks**

You may bring water and soft drinks for your party. You may also bring any food or any caterer. Please provide your own plates/cutlery and napkins. Outside alcoholic drinks are NOT allowed and will result in immediate termination of the event with no refund.

### **Start and end times | Decorations**

Balloons, flower arrangements, banners, etc are ok. No open flames, no glitter.

**IMPORTANT: The start time of your reservation is the earliest time when you begin using the space. The end time is your checkout time and all picking up must be done.** You are welcome to purchase more time prior to the event if needed.

### **Parking:**

There are parking spaces available immediately at the entrance but are not dedicated to Dystopian guests and are subject to availability. There are paid parking lots, garages and Tacoma Dome parking available. The Link is free to use and the Theatre station is a couple of blocks away from the brewery. See Appendix B for nearby parking.

### **Children:**

Well behaved children are welcome. All children must be supervised by a responsible adult at all times.

### **Pets:**

Only service animals are allowed per the Pierce County Department of Health.

### **Music:**

We offer an extensive music library which is licensed to play in a commercial establishment. **The option to play your own music is for taproom buyouts only.** Garage door must close at the end of posted open hours to reduce noise in the neighborhood.

**Appendix A. Taproom Layout**

Depending on availability and the size of your group, you will be assigned the event space A, B or C or a combination. Requests for specific sections will be considered but not guaranteed. All three sections have windows and great lighting any time of the day and night. The furniture is slightly different.

Food trucks part at the entrance on the street and must run on a quiet generator or be able to plug into our power source. This is a request from our residential neighbors.
